### Street Opening Fees as Follows:

(1) Application Fee	\$ 50.00
---------------------	----------

(b) General permit inspection fees. General inspection fees charge to defray costs incurred by the township in spot inspections of permitted work or subsequent inspections after the permitted work has been completed and to monitor compliance with the permit shall be as follows:

(1) Surface Openings: This fee is calculated on the total linear feet of the opening being permitted with different areas of the right-of-way.

(i) Total linear feet of opening (each 100 feet increment or fraction thereof):

(A) Opening in pavement	\$ 40.00
(B) Opening in shoulder	\$ 20.00
(C) Opening outside pavement and shoulder	\$ 10.00

(ii) If a longitudinal opening simultaneously occupies two or more highway areas identified in subparagraph (i), only the higher fee will be charged. Linear distances shall be measured to the nearest foot.

(2) Surface opening of less than 36 square feet – for example, service connections performed independently of underground facility installation, pipe line repairs – each opening:

- |       |                                       |          |
|-------|---------------------------------------|----------|
| (i)   | Opening in pavement                   | \$ 30.00 |
| (ii)  | Opening in shoulder                   | \$ 15.00 |
| (iii) | Opening outside pavement and shoulder | \$ 10.00 |

(iv) If an opening simultaneously occupies two or more highway areas identified in subparagraphs (i) – (iii), only the higher fee will be charged.
