6. Street names of intersecting roads

DRAWING

The drawing area consists of two rows of three rectangular boxes each. Each box is defined by a horizontal line at the bottom and a vertical line on the right side, with the top and left sides being open. This layout is intended for a site sketch showing excavation limits, restoration areas, utility structures, right-of-way, and property boundaries.

CERTIFICATION

The form hereby certifies that the statements made herein and representations contained in all accompanying matter as part of this application are true and correct. The Applicant shall be responsible for reviewing and fully understanding all provisions of the Township Ordinance. The Applicant acknowledges that New Sewickley Township Officials have the right to observe the work being performed for the purpose of inspection and verification of the statements made herein.
